WHAT WE DO

Three directions. One mission.

Agency services, ready-made products, and a charitable platform. Everything under one roof — ARVEN.

⚡

Agency

We build custom AI agents, automation pipelines and intelligent systems for your business. From concept to production.

📦

Products

Ready-to-use tools: Claude Code Toolkit (11 languages), SalesBot for

Telegram, and more coming. Buy once, use forever.

Good

Powered by DARIVS — our charitable platform. $1 from every product sale goes to animals affected by the war in Ukraine.

OUR PRODUCTS

Built to ship.

Tools we built because we needed them. Now available for everyone.

COURSE · AVAILABLE NOW

Claude Code Toolkit

Complete guide to Anthropic's agentic dev tool. 14 modules, 10 production templates, 12 files. Available in 11 languages.

Get for $29 →

PRODUCT · IN DEVELOPMENT

SalesBot

AI sales assistant for Telegram. One codebase, any niche — beauty salons, legal services, education. Per-client JSON config.

Coming soon

PLATFORM · POWERED BY DARIVS

«Добро случается»

Charitable challenge platform. Good just happens — one click at a time. Darivs OÜ, Estonia.

Good Just Happens

We're not just building tools. Every product we ship contributes $1 per sale to helping animals affected by the war in Ukraine. Not marketing. Just what we believe in.
